

“Not the Flight Service Station You Once Knew”

WiFi will be available so bring your smart phone, iPad, or tablet PC and learn how many of FSS services are totally new and not otherwise available. Take advantage of Lockheed Martin's newest but little known capabilities. including: NextGen Briefings, Departure Advisor tool, Adverse Condition Alerting Service, VFR flight plan activation and closure, Surveillance-Enhanced Search and Rescue.

Directions: Event will be held in the Chesapeake Sport Pilot Hangar

A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafetyTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the “Contact Information” area of the meeting/event notice. Note that two weeks is usually required to arrange services.
